

AMBASSADORS FOOTBALL GB - Job Description

Global Mission: To communicate the good news of Jesus to all people through football.

Vision: Ambassadors Football's vision is to serve the local church, inspiring and equipping it to build Christ-centred relationships through football.

Values:

Demonstrating an authentic Christian faith

Exhibiting a spirit of innovation

Working in teams

Whilst serving with excellence and partnership with local churches in their community outreach.

What we do: Invest in Churches; invest in people; share Jesus through football

Job Title: Women's Football Development Officer

Hours & FTE Equivalent: 21-35 Hours per week (sessional work possibly available)

Report to: Women's Football Lead

Key Responsibilities:

Directly report to the Women's Football Lead and National Director GB when required, supporting the development of new & existing initiatives to achieve AFGB Mission and Vision

Contribute to the planning, delivery and evaluating of a variety of women's community football programmes, within the AFGB calendar

Contribute towards the development of the women's football wellbeing programme including writing sessions and talks, researching key wellbeing areas and engaging with other females in sports ministry

Actively source churches and people who would like to develop women's football and wellbeing programmes

Build partnerships which establish personal support via Prayer and/or Financial offering through Ministry Partner Development (MPD) each month - Applicable to full and part-time staff

Serve churches through delivering quality football programmes in their community, primarily with female players, whilst inspiring and equipping others to build Christ-centred relationships through football

Assist in training at our Community Football Outreach training days and also mentor/consult with partner churches (in agreement with the CFO National coordinator) with a focus on women's football, female leaders and female coaches

Carry out and review a range of different service users including some facing challenging circumstances, to continuously strive for better outreach within these communities

Coordinate the delivery and development of the Programmes currently operating in the location in which they are based. (Liaising with schools, organising socials & tournaments, conducting scoping exercises to replicate the project elsewhere)

To manage Ambassadors Football volunteers & interns involved with their projects through weekly catch-ups, monthly 1-2-1, and on the job training where required

Duties:

Oversee the delivery of quality coaching and mentoring to participants in the community football outreach programmes.

Represent Ambassadors Football at appropriate local events.

Work as part of a team ensuring best practice at all times.

Support Ambassadors Football's Christian mission and values.

Be aware of and act in accordance with Ambassadors Football's best practice, policies & procedures.

Relate to church leaders and community leaders in a positive way to develop our programmes effectively.

Demonstrate Christian values in all aspects of the work.

Assist in any other reasonable way to help Ambassadors fulfill its objectives.

Dimensions and limits of authority:

Individual to be a front line member of Ambassadors Football GB representing scripture beliefs and value.

Will be required to travel and often work outside office hours (events, conferences, etc)

Essential / Desirable Skill Set:
